WHO WE ARE

Your reliable sourcing partner for modern drinkware

R&R Exports International is a sourcing and export company based in Surendranagar, Gujarat, India. We work with carefully selected manufacturers to deliver retail-ready products under your brand.

We handle sampling, branding, quality checks, documents and shipping — one point of contact from enquiry to delivery.

Why buyers choose us

01
Low minimum order
Start with just 300 pieces per model — test the market without tying up capital.

02
Your brand, your colours
Logo printing, custom bottle colours and branded packaging for private label.

03
Approve before we produce
Sign off on your logo proof, product photos and video before bulk production starts.

04
Lab-tested materials
Third-party food-contact test reports (US FDA 21 CFR) available for selected models.

05
One point of contact
We coordinate production, quality checks, paperwork and shipping for you.

06
Flexible shipping
Sea, air or express courier — to India, the UAE, the USA and beyond.

Why collapsible bottles sell

Space-saving
Folds flat into a pocket or bag when empty.

Reusable
A durable swap for single-use plastic bottles.

Gift-ready
Bright colours plus your logo = a great gift item.

Who we serve

Amazon & e-commerce sellers · Wholesalers & distributors · Retail chains · Corporate & promotional gifting · Gyms, sports & outdoor brands · Travel retail

CB-01 BEST FOR E-COMMERCE & PROMOTIONS

Origami Foldable Bottle · 600 ml

A geometric fold-flat bottle with a secure screw lid and carry strap. Fills to 600 ml, then folds down to a compact disc for pocket, bag or desk drawer.

Folds flat
From 21.5 cm tall to just 6.6 cm folded.

Leak-proof screw lid
PP cap with a tight seal and narrow drinking mouth.

Light & drop-resistant
About 150 g; soft silicone body won't crack if dropped.

Easy to carry
Attached loop strap for hand, bag or backpack.

Ready for your logo
Large flat panels for printing plus custom colour box.

Specifications

CB-02 BESTSELLER STYLE · LAB-TESTED SILICONE

Flip-Straw Foldable Bottle · 600 ml

A premium squeezable bottle with a flip-up straw, protective cover and carry handle. Rolls down to about one-fifth of its size — roughly the footprint of a phone.

2-way drinking
Sip through the straw or drink direct.

Hygienic cover
Flip lid keeps the straw clean.

Leak-proof
Sealed lid for bags and backpacks.

Easy to clean
Wide mouth, removable lid parts.

Specifications

CB-03 SPORTS & OUTDOOR FAVOURITE · LAB-TESTED

Squeeze & Roll-Up Bottle · 600 ml

A soft, squeezable silicone bottle with a screw-top spout. Drink on the move, then roll it up and strap it closed — small enough to clip onto a backpack.

Rolls & straps
Built-in band holds it rolled up.

Squeeze to drink
Soft body for quick sips mid-run.

Easy to clean
Spout, cap and body come apart.

Clip-on carry
Loop fits a clip or carabiner.

Specifications

Capacity	600 ml (20 oz)
Size	23 × 8.5 cm open · approx. 10.5 × 10.8 cm rolled
Material	Silicone body · plastic screw cap & spout
Colours	Orange, light blue and more — any colour on request
Branding	Logo printing · OPP bag
MOQ	300 pcs (up to 3 colours)
Lead time	approx. 27–29 days after artwork approval, plus transit
Export carton	Details on request
Price	On request — tiered for 300 / 500 / 1,000+ pcs

Lab-tested
Passed US FDA 21 CFR 177.1520, 177.1580 and 177.2600 tests at an independent lab. Report on request.

Ideal for: running & cycling clubs, trekking stores, marathon and event kits, travel retail.

CB-04 BIGGEST CAPACITY · VOLUME PROGRAMMES

Telescopic Sports Bottle · 760 ml

A full-size sports bottle that collapses ring by ring like a telescope. Dual drinking lid, sturdy carry handle and a protective base — all-day hydration that packs down small.

Telescopic collapse
Push down ring by ring to shrink it when empty.

Dual drinking lid
Sip through the straw or drink direct.

360° leak-proof
Flip cap seals for gym bags and backpacks.

Carry handle & protective base
Easy to hold; sturdy bottom resists falls.

Fully detachable
Lid and straw parts come apart to clean.

Specifications

Capacity	760 ml
Design	Telescopic collapsible body · dual-mouth flip lid · handle
Material	Silicone body · plastic lid and straw parts
Colours	Wide palette — matched to your brand on request
Branding	Logo printing · OPP bag
MOQ	1,000 pcs per colour
Lead time	approx. 27–29 days after artwork approval, plus transit
Size & carton	Details on request
Price	On request — volume pricing from 1,000 pcs

CB-02 · Flip-straw

CB-03 · Squeeze & roll-up

CB-04 · Telescopic 760 ml

PRIVATE LABEL

Make it yours

Logo printing — your logo or artwork printed on the bottle.

Custom colours — choose from stock colours or match your brand colour.

Mixed colours — split one order across several colours.

Packaging — OPP bag as standard; custom colour box available.

Free design help — send your logo, we prepare the artwork proof for approval.

Quality you can verify

Independent lab tests

All four models tested by independent labs against US FDA 21 CFR food-contact requirements. Reports shared before you order.

Approval before production

Bulk production starts only after you approve the logo proof, photos and specifications.

Pre-dispatch check

Quantity, colour, print and packing checked with photos before shipment.

SIMPLE ORDERING

From enquiry to your warehouse in 5 steps

1. **Send your enquiry**
   Tell us the model, quantity, colours, logo and destination country.

2. **Receive your quotation**
   Tiered pricing for 300 / 500 / 1,000+ pcs, lead time and shipping options.

3. **Confirm artwork & specifications**
   We send a digital logo proof, colour references and product photos or video for your sign-off before production.

4. **Production & pre-dispatch check**
   Bulk production, then quantity, colour, print and packing checked with photos.

5. **Shipping & documents**
   Sea, air or courier, with commercial invoice, packing list and other export documents.

Minimum order
300 pcs per model (CB-04: 1,000 pcs per colour)

Samples
Can be arranged on request, shipped directly from the production unit (charges apply)

Payment terms
Agreed with your quotation.

Delivery terms
EXW / FOB / CIF / DDP — as agreed.

Let’s build your bottle range.

Send us your model, quantity and logo today — we'll reply with a full quotation and production plan.
